11. TMB Shop Building Addition
12. College Station MBC, College Station
13. Maranatha MBC, Crandall
14. Unity MBC, Texarkana
15. Erin MBC, Kirbyville

We only have four projects on our waiting list at this time so if your church is considering entering into a building program, this would be a good time to submit a request for help to Texas Mission Builders. Needs for the program continue and include finances, prayer, and most of all, laborers.

Response to this program has been good and the program has saved the churches a lot of finance. For this program to continue to be successful there is need for much participation in the labor department. To those faithful ones who cause this program to be so successful, we salute you and pray for you also. Only eternity will reveal the great worth of Texas Mission Builders. By your willingness to be used of God through prayer, finance, and labor this program has been a great success. May you faithfully continue these things that the work may always be this effective. May God get the honor and the glory for the success of Texas Mission Builders.

Sincerely,
Leroy Smith
