Building for Christ

September 16, 2021

Dear Brothers and Sisters in Christ:

The TMB workers have been hard at work. They have struggled because of the Covid virus restrictions and because some of them have had the virus themselves, or have had family members who had it, which caused them to have to quarantine at home. Since this time last year, TMB has worked on ten projects. One of those is not completed yet. We are finishing up a project at Grace Temple MBC, Mt. Pleasant next week, and then starting a new one for Landmark MBC, Athens the following week.

We are always looking for TMB Volunteers to help with the work on these projects. If there are some folks in your church who have time and energy to spare, and would like to be blessed of God, we can give them a place to be used of God. Experience is not necessary to be used as a volunteer helper. Some of the men on the job will be glad to help you get started. All you need is a willing spirit.

We want to take this opportunity to express our thanks for your support of Texas Mission Builders. Without people like you, TMB would not be able to help the churches as it has for the past 35 years. The labor done on the TMB projects doesn't cost the churches anything. The support you give helps to furnish the tools, trailers, fuel, insurance, and many other things needed for this work. You are a very important tool in the Lord's work. Thank you from the bottom of our hearts and we pray God's richest blessings on you all. Your offerings are shown on the enclosed receipt list.

Please keep all our workers in your prayers. Pray for Bro. Mike Pearson, our TMB Supervisor and for the sponsoring church and her pastor, Bro. John Bryant. Also, keep our directors and office workers in your prayers. May God continue His blessings upon you all.

In His Service,  
Bro. Leroy Smith
